Here at Schley Nelson Architects, we have..

exciting news to share!

Our inspired creations strive to create beautiful yet comfortable spaces for people to spend time in. We believe design can enhance landscapes, and this is the inspiration behind every single project Schley Nelson Architects takes on. In October 2017 a project was started to preserve the Kalamazoo Psychiatric Hospitals Gate Cottage, located at 1312 Oakland Drive in Kalamazoo, Michigan. In the beginning of 2021 this magnificent building was completed. In May of 2021 Schley Nelson Architects won the Award of Merit from the Kalamazoo Historic Preservation Commission for the outstanding exterior rehabilitation for the State Hospital Gate Cottage. This was a tremendous honor and we are so thankful for the opportunity to preserve this landmark.
